

DELIVERING INNOVATIVE SOLUTIONS IN BLOW  
MOLDING TECHNOLOGY WITH GLOBAL EXCELLENCE

## ABOUT US

**VORTEX PET** Packaging, an undertaking of **A-Quartet Systems Pvt Ltd (AQS Pvt Ltd)**, has established itself as a pioneer in the PET packaging industry. Our advanced technology enables the efficient production of PET bottles and containers for various sectors, including beverage, pharmaceutical, cosmetic, and food industries.

We are committed to delivering high-performance equipment that enhances production speed, reduces energy consumption, and ensures consistent product quality. Our customer-centric approach drives innovation and sustainability in the packaging industry.

## WE OFFER

At Vortex PET Blow-Tech, we offer a range of services to support your PET blow molding operations:

**Machine Installation:** Expert setup and configuration of PET blow molding machines, including initial operator training.

**Maintenance & Repair:** 24/7 support providing preventive maintenance and rapid repairs to minimize downtime.

**Custom Mold Design:** Tailored mold designs with precision engineering and rapid prototyping to meet specific production needs.

**Operator Training:** Comprehensive programs covering machine operation, safety protocols, and troubleshooting skills.

**Production Optimization:** Consultation services aimed at enhancing efficiency, output quality, and cost reduction.

**After-Sales Support:** Dedicated assistance offering technical help, genuine spare parts, and regular check-ups to ensure smooth operations.

## OUR PRODUCT RANGE

Model	Type	Technology	Servo Type	Capacity	Customizable
1L2C ms3k+ PN	1-Liter 2-Cavity	Pneumatic-Linear	PN	3600 BPH	Yes
1L2C ms3k+ 1S	1-Liter 2-Cavity	Hybrid-Linear	1S	3600 BPH	Yes
2L2C ms3k+ 1S	2-Liter 2-Cavity	Hybrid-Linear	1S	3600 BPH	Yes
2L2C ms3k+ 3S	2-Liter 2-Cavity	Hybrid-Linear	3S	3600 BPH	Yes
1L4C ms6k 1S	1-Liter 4-Cavity	Hybrid-Linear	1S	6000 BPH	Yes
2L4C ms6k 1S	2-Liter 4-Cavity	Hybrid-Linear	1S	6000 BPH	Yes
1L4C ms7k+ 3S	1-Liter 4-Cavity	Hybrid-Linear	3S	7200 BPH	Yes
2L4C ms7k+ 3S	2-Liter 4-Cavity	Hybrid-Linear	3S	7200 BPH	Yes
1L4C ms7k+ 6S	1-Liter 4-Cavity	Servo-Linear	6S	7200 BPH	Yes
2L4C ms7k+ 6S	2-Liter 4-Cavity	Servo-Linear	6S	7200 BPH	Yes
1L6C ms9k+ 6S	1-Liter 6-Cavity	Servo-Linear	6S	9600 BPH	Yes
1L8C ms13k+ 7S	1-Liter 8-Cavity	Servo-Linear	7S	13200 BPH	Yes
1L6C C8k+ AS	1-Liter 6-Cavity	Servo-Chain Drive	AS	8600 BPH	Yes
